

EXAMPLE STAFF PROFILE

I am reliable, trustworthy, patient and a hard worker, with a good sense of humour. I consider myself to be a very adaptable person who is willing to accept new challenges, I feel that I have the determination to learn and succeed in what ever I do. I have the initiative to assist where, or wherever is needed, as well as working well with others and on my own, using my common sense. I feel I am quick to think on my feet with situations that might need dealing with quickly and feel I can handle challenging situations. I enjoy my work with children and young people and I look forward to working with you and your family.
